MEMORANDUM FOR: Deputy Director of Central Intelligence  
78-11421

FROM : John F. Blake  
Deputy Director for Administration

STATINTL SUBJECT : Nomination of [REDACTED] for the Everett  
O. Alldredge Annual Award for Records Management  
Excellence in the Federal Government

STATINTL STATINTL

1. Action Requested: That you sign the attached letter to Mr. J. G. Gwinn, Chairman, Awards Committee, National Archives and Records Service Federal Records Management Conference, nominating [REDACTED] for the Everett O. Alldredge Award.

2. Background: Heads of Federal agencies, through their Records Management Officers, are invited to submit a nomination for the Everett O. Alldredge Award. This award is given annually to an individual in Federal service who has made outstanding contributions in improving the effectiveness and efficiency of Federal paperwork. The award will be presented at the Federal Records Management Conference on 16 May 1978. The award is named for the late Mr. Everett O. Alldredge who served for many years as the Assistant Archivist for Records Management, National Archives and Records Service. The Agency has not previously nominated anyone for this award.

3. Staff Position:

a. [REDACTED] is the Records Management Officer for the DO. In this capacity he organized and managed the massive effort of reviewing the DO's 28,000 cubic feet of holdings at the Agency Records Center. The result is the DO now knows what is in their retired records holdings; descriptions of all these records are being entered into a searchable computer system; insofar as possible, records pertinent to current legal and legislative inquiries have been marked for retention; and, once the moratorium on destruction of records is lifted, temporary records scheduled for destruction can be destroyed and thereby produce a savings in storage space. [REDACTED] also developed the telepouch system now used for much of the DO's traffic.

b. The Assistant for Information to the DDA, who has the responsibility for the Agency Records Management program, recommends [REDACTED] for this award. The nominating document which will accompany your letter was prepared by the Chief, Information Management Staff, DDO, and has been reviewed and concurred in by representatives of the Central Cover Staff and the Office of Security.

STATINTL

4. Recommendation: That you sign the attached letter to Mr. Gwinn, which nominates Mr. [REDACTED] for the Everett O. Alldredge Annual Award.

Signed: John F. Blake
